Failure to complete required program hours by class graduation will result in overage fees.

Electronic Tracking of Hours

The New Age Spa Institute is a clock hour school. In order to graduate, all program hours must be documented. Students must clock in and clock out every day. On the first day of class, students receive instructions on how to clock in and out using the online system. Students forgetting to clock in will only receive hours from when he or she clocks in. Students are prohibited from clocking in or out for another student.

All students are allowed to clock in 15 min. before class during the week as long as program related materials is being done prior to the start of class.

Early Departure

A student who leaves the school prior to regular dismissal time is considered to be an early departure. If a student must leave the school earlier than his or her scheduled dismissal time, he or she is asked to advise their instructor in advance of the departure and he or she must clock out in order to receive hours. Students will not earn hours for periods in which they are not clocked in.

Proper absentee notification is considered:

- Presenting a school official with a written notification of the intended absence of more than 3 classes
- Leaving a message on the school voicemail before class: (847) 759-0900
- Giving at least 24 hour notice if the absence is on a clinic day
- Students are required to complete all hours as mandated for the program, by State requirements
- Students who are absent must make up all hours missed

Making up of Hours

A student who accrues clock hours outside of his or her regular schedule (contracted per the enrollment agreement) will be considered to be making up hours. Make-up hours can only be made up in the student clinic during the last 2 months of a student's program. The only exception to this policy will be in the event of a special school function where student can participate.

- Make-up hours can be completed during student clinic only
- Make-up hours completed after a student's contracted graduation date will accrue overage fees.
- Make-up time is not guaranteed, as it may not always be available.
- Clinic client priority is given to current students not in need of make-up hours
- All requests to be put on a make-up schedule must go through the education director
- Students who do not attend scheduled make-up assignments may automatically have their remaining make-up hours converted to chargeable overage fees (regardless of it being before or after the graduation date)

Accelerated Hours

Clock hour acceleration is defined as exceeding one's scheduled hours and possibly completing hours prior to completion of the required curriculum. The curriculum is designed for completion according to the pace allowed by the State. All clock hours must be completed prior to receiving a graduation diploma and transcript.

Curriculum

Grading Procedures

Students are assigned theory study and a practical experience. Theory is evaluated after each unit of study. All assignments must be completed by each student as agreed upon in the enrollment agreement. Practical assignment is evaluated as completed and counted toward course completion ONLY when rated as satisfactory. If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. Practical skills are evaluated according to text procedures, performance standards established by the state licensing agency, and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a theory grade average of 80% and pass a FINAL written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

Written and Practical

90 – 100: EXCELLENT

80– 89: GOOD

0 – 79: BELOW STANDARDS (Must Retake)

Exam Make-ups

If a student is absent on the day of an exam (written or practical), he or she is required to make up the exam within 5 scheduled school days of his or her return to class and during times established by the instructor. In order to maintain the credibility of the exam, at its discretion, The New Age Spa Institute may use an alternate exam for a make-up attempt. Failure to make up an exam in accordance with the make-up policy requirements will result in a grade of 0% which will be weighted into the student's overall grade point average.

Exam Retakes

Students are permitted two exam retake attempts for each failed exam. If re-taken, the maximum percentage score allowed will be 80%

Final Exams

State law requests that the school allow each candidate for graduation at least 3 attempts to pass the final exam. Students will be allowed a maximum of 5 attempts to pass the final exams administered by the school. A passing score for the final exam is 90%. If re-taken, the maximum percentage score allowed will be 80%.

Instructional Methods

The clock hour education is provided through a sequential set of learning steps that address specific tasks necessary for state board preparation, graduation, and entry-level job skills. Clinic equipment, implements, and products are comparable to those used in the industry. The course is presented through comprehensive lesson plans that reflect effective educational methods. Subjects are presented by means of lecture, demonstration, and interactive student participation. Audiovisual aids, guest speakers, field trips, projects, activities, and other related learning methods are used for course delivery.

Required Practical Experiences

Policy and Regulatory agencies require students to complete an established number of practical experiences for satisfactory skills development and graduation. Hands-on practice is completed on models for Massage students. The requirements listed by category are the minimum experiences that each student must successfully complete prior to graduation. More practices may be scheduled by the instructor based on training needs.

Student Support Services

Evaluations and Academic Advising

Students are advised regarding progress and achievement on a monthly basis. Evaluations include how the students are performing in regard to attendance, theory grades, and practical skills as well as their professionalism. Student strengths and areas needing improvement are identified and plans for needed improvement are discussed. Information and advice regarding licensing regulations, employment, and financial assistance is available to students as it is needed.

Privacy and File Access Policy

In compliance with the Family Educational Rights and Privacy Act of 1974, the school follows policies that:

- Guarantee each student (or parent or guardian if the student is a dependent minor) access to that student's records;
- Require written consent from the student or guardian for release of records in response to each third party request unless otherwise required by law;
- Do not allow publication of "directory information" about students;

Access to the records must be arranged previously and a staff member must be present while the records are being reviewed. Cumulative education records are maintained for a minimum of three years after graduation or termination.

The school must make its student files available to accrediting, regulatory and other governing agency representatives who have the legal right to examine such files for compliance reviews. No portion of a file may be removed or reproduced without the permission of the owner of the school as all material and records contained therein are property of the school.

Handicap Policy

The New Age Spa Institute does not discriminate in its admissions practices or other policies against handicapped persons. The licensing requirements for courses offered at the school may restrict some applicants. Questions regarding licensing requirements and the physical demands of the industry may be answered by the school director.

OSHA (Occupational Safety and Health Administration)

The United States Department of Labor of Occupational Safety and Health Administration requires the school to advise its students of the chemicals used in cosmetology and related training. During orientation, the student will learn about the importance of safety in the work place and how to use and follow the Material Safety Data Sheets (MSDS) for chemicals used in cosmetology or related training. During each unit of study, students are apprised of the various chemicals used and safe practices that apply.

Transferability of Credits

The school does not guarantee the transferability of credits to another school, college, or university. Credits or coursework are not likely to transfer; any decision on the comparability, appropriateness, and applicability of credit and whether credit should be accepted is the decision of the receiving institution. Students are encouraged to consult with the institution they want to transfer to prior to enrolling in a program.

Standards of Professionalism

Uniforms and Kits

Charges for each program offered will include a registration Fee, Books and Kit Fee, and Tuition charges. The New Age Spa Institute does not provide uniforms for the students. Uniforms may be purchased by students at uniform retailers as long as students abide by their assigned colors (white, light blue, dark blue). Students are required to wear appropriate closed toe footwear for a professional environment, however, no heels or flip-flops are allowed. Students are expected to arrive for school in the appropriate makeup and hairstyle.

Students are preparing for a massage career and image industry and are expected to be well groomed and professionally attired during the program of training. Variations to the dress code may be granted on special occasions at the discretion of the school administration

Code of Conduct

The New Age Spa Institute sets forth a specific Code of Conduct for promoting a positive learning environment and a pathway to career success. Developing efficient work habits, a positive attitude, and definite goal orientations during training will greatly enhance the graduate's potential for success. All students must:

- Attend all classes according to the assigned schedule including theory classes even if all required tests are completed.
- Arrive for all classes on time. If more than 5 minutes late, a student may not be allowed to attend class or to clock in until the scheduled class is dismissed. The determination will be made by school staff based on the circumstances causing the tardiness. Excessive tardiness could result in termination of enrollment.
- Students are responsible for their own Practical Requirements record.
- Complete all assigned theory, practical and clinic assignments in the designated time frames including any assignments required to establish eligibility to retake failed exams or take missed exams. It is the student's responsibility to contact the Instructor regarding makeup exams. Hours will not be sent to the state regulatory agency until all graduation requirements have been met and a comprehensive final written and practical exam has been passed.
- Notify a staff member by 8:00 a.m. for day students and 4:00 p.m. for night students of absenteeism or tardiness so that proper arrangements can be made to service clients that may be scheduled.
- Follow time clock procedures by clocking in and out to accurately reflect hours in attendance. No student may clock in/out for others.

- Obtain permission from a staff member to leave the facility for any reason than lunchtime, breaks, and closing.
- Comply with the published dress code and practice proper hygiene and grooming at all times. Students not in compliance with dress code will not be allowed to clock hours until coming into compliance and may be sent home.
- Not chew gum, eat or drink except in the designated areas. Students are asked to contain food and beverages to the lunch area only. Food of any kind is strongly discouraged from being brought into the classroom and never to be brought into the clinic area.
- Comply with scheduled lunch breaks. The time for the lunch break will depend on the classes scheduled and the clinic floor services that are assigned. As a consideration to fellow students, clients, and instructors, please notify the school if you are not returning from lunch.
- Practice courtesy and professionalism at all times when dealing with other students, clients, visitors, and staff.
- Follow all state laws and regulations at all times during school.
- Understand that training involves sanitation, cleanliness, and care of equipment. Students are responsible for personal workstations and work area. Daily assigned sanitation duties must be evaluated before clocking out each day. State Board requires all students to follow Sanitation rule and practices at all times
- Discuss only ethical and professional subject matter during the school hours and refrain from using profanity or vulgarity. Abusive language includes, but not limited to topics of sexual, religious, ethnic, and/or racial nature.
- Be fair, honest, and never cheat or steal. Alteration of school records or date will not be tolerated and is punishable up to and including expulsion from the New Age Spa Institute

Destruction of or defacing school property will result in the disciplinary action including charges for the full replacement cost of the items and up to expulsion. School equipment or supplies that are not returned by the student shall be the financial responsibility of the student who last checked the item out and full replacement is expected.
- Refrain from having personal visitors to the school. Guests will be asked to leave unless they are scheduled for a clinic service
- Be mentally and physically prepared to participate in lectures and practice sessions at all times when clocked in. Class preparation includes having student kits, textbooks, and classroom materials ready and available daily. Excessive time in the student lounge is not allowed. Students who are not clocked in may not linger in the facility and distract other students from training responsibilities.
- Refrain from using the business phone, personal cellular phones (call or text messaging), or personal pagers. Answering cell phones or text messaging while in class or clinic is unprofessional and disrespectful to your teacher. All phones should be kept on silent while in class. Other than an emergency, the New Age Spa Institute sees no reason for a student to leave class for a phone call until scheduled breaks and/or lunch. These situations may result in disciplinary procedures resulting in verbal/written warnings, expulsion, and/or an instructor sending a student home for the day with unearned hours.
- Know all pricing and service policies of the school and the name, purpose, benefits, procedures, and cost of products used. Have every service performed on a client checked by an instructor.

- Provide lock for personally assigned locker. The school is not responsible for lost or stolen items
- Strive to continually upgrade abilities through education and practice
- Provide student conduct that will limit the potential for harm, damage or injury of another. Gross negligence, abuse, or endangering the health and welfare of another is strongly prohibited. This behavior includes but is not limited to the use of verbal, or written (including electronic/ internet) threats, intimidation, coercion, verbal or nonverbal abuse or harassment, discriminatory behavior, inappropriate physical conduct, contact or behavior and/or other behavior deemed inappropriate by senior administration. Students participating or displaying these behaviors or actions are subject to disciplinary action up to and including expulsion and legal action.
- Smoking is not allowed in the school. Students are asked to be very considerate of classmates and clients who do not smoke. Smokers should be careful to limit odors that may be offensive to others by making sure to wash hands and fresh your breath before coming back into class and especially clinic.
- NOT possess, use, sell, or distribute controlled substances. The unlawful possession, use, sale, or distribution of controlled substances is prohibited on school property. A student's use of alcohol or illegal drugs (nonprescription) while on school property will be handled with zero tolerance. Student's expelled from the New Age Spa Institute as a result of illegal drug or alcohol use may appeal the decision. Situations will be handled on a case-by-case basis. However, the decision after appeal is final.

Disciplinary Policies

Students must understand that any infractions of the Standards of conduct, General Policies or the Enrollment Agreement could result in any of the following disciplinary actions.

DISMISSAL – FOR THE DAY: Students unwilling to adhere to school policies whether during theory or clinic will be made aware of the non-compliance. Failure to correct the behavior will result in the student being clocked out and set home for the remainder of the day with unearned hours.

PROBATION: A student may be placed on probation for a specified time for any infraction of the Standards of conduct. Grievances

The school will make every attempt to resolve any student complaint that is not frivolous or without merit. Complaint procedures will be included in new student orientation, thereby assuring that all students know the steps to follow should they desire to register a complaint at any time. Evidence of final resolution of all complaints will be retained in school files in order to determine the frequency, nature, and patterns of complaints for the institution. The information will be used in evaluating institutional effectiveness and outcomes. Contact the administration office to obtain the designated form and detailed procedures for how to properly register a grievance.

Any student or employee of The New Age Spa Institute approved by Private Business and Vocational Schools Act who believes he has been aggrieved by a violation of this act shall have the right to file a written complaint. Satisfactory Academic Progress

The Satisfactory School Progress Policy consistently applies to all students enrolled in programs of 600 clock hours or more. It is printed in this catalog to ensure that all students receive a copy prior to the first day of class. The policy complies with the guidelines established by the National Accrediting Commission of Cosmetology Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education in anticipation of approval by both agencies.

Attendance Progress Evaluations

Students are required to attend a minimum of 95% of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. Evaluations are based on the cumulative attendance percentage as of the last day of the month of the evaluation period. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled.

The student's start month in school will be counted as the first month of the evaluation period. For partial months, scheduled hours will be calculated by multiplying the number of scheduled days by the number of hours scheduled each day.

At the end of each evaluation period, the school will determine if the student has maintained at least 95% cumulative attendance since the beginning of the course, which indicates that, given the same attendance rate, the student, will graduate within the maximum period allowed.

Academic Progress Evaluations

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned theory study. Theory is evaluated after each unit of study. Students must maintain a cumulative theory grade average of at least 80% and pass a final written exam prior to graduation. Students must make up failed or missed tests and incomplete assignments. Practical skills performances are counted toward course completion only when considered satisfactory or better. If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated.

Determination of Progress Status

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. In order for a student to be considered making satisfactory academic progress as of course midpoint, the student must meet both attendance and academic requirements on at least one evaluation by the midpoint of the course.

Probation

Students who fail to meet minimum requirements for attendance or academic progress are placed on probation and considered to be making satisfactory progress while during the first probationary period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements, he/she will be determined as NOT making satisfactory academic progress.

Re-establishment of satisfactory academic progress

Students may re-establish satisfactory academic progress by meeting minimum attendance and academic requirements by the end of the probationary period.

Interruptions, course incompletes, withdrawals

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to leave of absence. Hours elapsed during a leave of absence will extend the student's contact period by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll within six months of the original official withdrawal date will return in the same satisfactory academic progress status as at the time of withdrawal.

Appeal Procedure

If a student is determined not to be making satisfactory academic progress, the student may appeal the determination. The student must submit a written appeal to the school on the designated form with supporting documentation of the reasons why the determination should be reversed. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days.

The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed.
